Many churches charge a fee for Church School. At UCG we do not charge a fee but it takes a LOT of volunteers to make our program successful. Parents are asked to assist in UCG's children's programs. How will you help?

This year the United Tribes Groups will continue annual events that are a "fun" rite of passage for our kids. We need 2 adult volunteers to organize each event during September or October. Without volunteer family coordinators, these events will not occur. The anticipated events are as follows:

K-1 Group Annual Water Related Event. Families will bring their children to this event. We need two volunteers to set the date, time, and place.

I would like to coordinate this event.

2-3 Group Annual Field Trip. Help select the location of the field trip. Children would attend the event with a parent/guardian. We need two volunteers to set the date, time, and place.

I would like to coordinate this event.

4-5 Group Annual Camp Out. Children would attend with a parent/guardian. We need two volunteers to set the date, time, and place of this event.

I would like to coordinate this event.

In addition, please be aware of **UCG's safe food policy**, detailed here:

Several children who attend UCG have life-threatening food allergies. Others develop uncomfortable reactions to certain food products. We are grateful to Shay Smith who selects snacks that are safe for our children. They try to accommodate food preferences too, but this is not always possible due to budget, shelf life and food allergy needs. For the safety of our children, please respect the food restrictions by using **ONLY** food provided by the church for church events. Please keep your own food separate from church-provided snacks and be careful to wash your children's hands and face before church events, especially after eating peanut and nut products.

If you understand the policy, please Initial _____ and Date _____.
